

It's time again for the 3 day long festivities of local music, food, entertainment, vendors, service providers, and artists. The US Bank sponsored Taste of Saint Louis begins October 2nd and carries on through the 4th at Soldier's Memorial. Come down town to this seasonal event for some tasty ribs, beer and other local cuisine while watching some of the most entertaining bands in the area compete in the Bud Light Tasty Band Competition. Entry is free, just bring cash for grub, booze, and some to donate to the Taste For Wishes (a partner in the Make-A-Wish foundation). Good food, good entertainment, and good giving - all in 1 place!
